

Parte 02

Diseñar el *login.html* para que tenga comportamientos responsive de acuerdo a las siguientes imágenes:

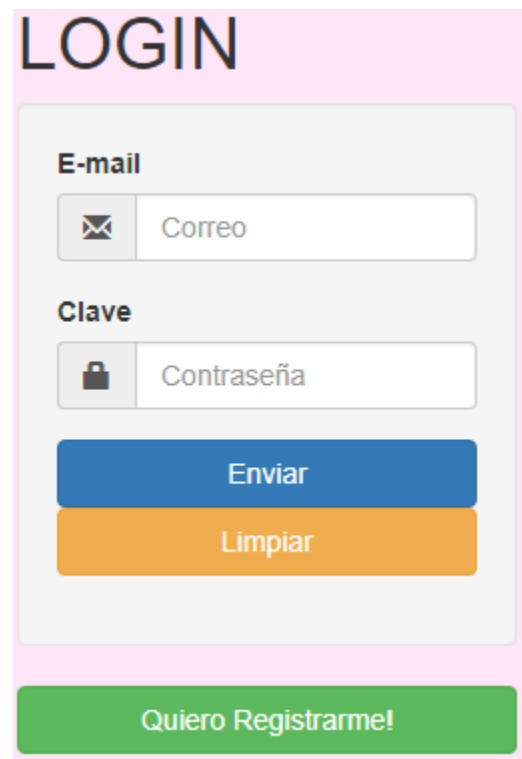

The image shows a login form for a PC screen. It has a pink header with the word "LOGIN" in large, bold, black letters. Below the header is a light gray box containing the login fields. The "E-mail" field is labeled "E-mail" and has a white input box with a gray envelope icon and the placeholder text "Correo". The "Clave" field is labeled "Clave" and has a white input box with a gray padlock icon and the placeholder text "Contraseña". Below these fields are two buttons: a blue "Enviar" button and an orange "Limpiar" button. At the bottom of the form is a green button with the text "Quiero Registrarme!".

Tamaño PC.

The image shows a login form for a tablet screen. It has a pink header with the word "LOGIN" in large, bold, black letters. Below the header is a light gray box containing the login fields. The "E-mail" field is labeled "E-mail" and has a white input box with a gray envelope icon and the placeholder text "Correo". The "Clave" field is labeled "Clave" and has a white input box with a gray padlock icon and the placeholder text "Contraseña". Below these fields are two buttons: a blue "Enviar" button and an orange "Limpiar" button. At the bottom of the form is a green button with the text "Quiero Registrarme!".

Tamaño Tablet.

The image shows a login form for a cellular screen. It has a pink header with the word "LOGIN" in large, bold, black letters. Below the header is a light gray box containing the login fields. The "E-mail" field is labeled "E-mail" and has a white input box with a gray envelope icon and the placeholder text "Correo". The "Clave" field is labeled "Clave" and has a white input box with a gray padlock icon and the placeholder text "Contraseña". Below these fields are two buttons: a blue "Enviar" button and an orange "Limpiar" button. At the bottom of the form is a green button with the text "Quiero Registrarme!".
